

# RESUME

**Name : Pham Thi Ngoc Trang**

## PERSONAL INFORMATION

- ★ Sex: Female
- ★ Birthday: May 09, 1975
- ★ Mobile: 0869183768
- ★ Email: phamthingoctrang@yahoo.com
- ★ Address: 168/1 Doan Van Bo Street, Ward 9, District 4, Ho Chi Minh City, Vietnam
- ★ Health: Good

## EDUCATION

University of Greenwich - Bsc.Computing Programme

NIIT – EDUFIRST HCMC

## DEGREE

Bsc.Computing Programme

DNIIT/ Diploma in software engineering/Excellent results

## EXPERIENCE

### **Confluence Technologies, Inc**

November 2013 – Present: Middle Sr. Software Engineer.

Develop new features and maintain the legacy for web applications and window applications. Developing and applying the variety of tools to support financial reporting to US government by languages and tools as dot.net, .net core api, micro service , web service, JavaScript language, JQuery, Aurelia, React, Angular, Redux, Html, css(Bootstrap, Kendo UI) MongoDB and SQL Server, Fluent Windward design, generate output and Docker.

### **Kevotech**

May 2013 – October 2013: Senior Software Developer and support technical for developer.

I have built the Payment online by Paypal and credit cards for e-commerce project, System admin and applied promotions code at: [www.wizhuntlocals.com/](http://www.wizhuntlocals.com/) , [www.a3zone.com](http://www.a3zone.com).

In this project it can buy and sell multiple products, service plans managed products, shipping plans and combined services.

I could work independently as: analysis, design Database and coding with technology Ajax/Jquery/Asp.net/Ajax upload and zooming picture/ Webservice/SQLServer2008/Visual 2012. As the result, the project performance has been highly appreciated.

**APVN Company**

October 2012 – April 2013: Software developer and support technical, make contribution to project by giving solution adapt to not only senior but also developer needs.

According to this position, I have built some applications web portal for Dell Reward, Quiz, Registration, Config XML. Especially, the technology such as .NET/ Jquery/Ajax/Client Server/SQLServer2008 have been flexibly applied to the project.

**START Company**

September 2009 – September 2012: Web Programmer, Web application: Invoice and Payment, PO, Expense, Contact, Event calendar, Timesheet , Shipping and Payment by Creditcard, Paypal.... (Dot Net, Java, Jsp, jquery, API Paypal).

**Thai Tuan Company**

From: 2009 – 12/2010 : Freelancer

Web online marketplace and application winform : Inventory control, receipts and expenses, order fast food lunch office. (Dot Net, Java).

Web application “Sales Manangement Center” which is distributed systems, with different technology: ASP.NET/C#/Jquery/Ajax/Web Service/SQLServer2005-StoreProcedure/ 3Tier.

**VietNet Company**

2000 – January 2004: Web programmer and HTML layout. Converted psd file to html.

**PROFESSIONAL SKILLS**

<b>OPERATING SYSTEMS</b>	
Windows	Linux

<b>PROGRAMMING LANGUAGES</b>	
.NET , . Net core, API (C#), Micro service,	JavaScript, Ajax, Jquery, Aurelia, React, Angular, Redux, xunit tests,.
WEB SERVICE/ Web application/ WindowForm	HTML
ASP. Net	CSS(Bootstrap, Kendo UI)
JAVA	UML
JSP	XML/XSLT/XHTML
CSS	PHP/Joomla/Wordpress

**Database Management Systems & Tools**

Visual studio 2010/2012/2015/2017/2019/2022
SQLServer 2005/2008, MongoDB
MYSQL , Oracle
CodeSmiths (tools generate store, code ...)
Flex Builder , Fluent Windward design

## PROJECT UNDERTAKEN

PROJECT NAME	TOOLS/TECHNOLOGY
Maintaining, enhancement web applications as AIFMD, CPO, FormPF, FB tool and report financial NXT Regulatory Reporting and legacy systems.	MongoDB/Visual Studio 2022/2019/API .Net core, C#, Angular/React/Aurelia/Redux/HTML/CSS/ Type script/ Kendo UI/ Micro service with distributing on projects
Web Application “Sales Management Center”	SQL Server 2005-2008/Visual Studio 2010/ASP.NET, C#, Store Procedure, Web Service, JQuery, Ajax(Json), 3-tiers, (Distributed systems), UML Design
App Rate Like on device Mobile Android	SqlLite, SDK android 2.2, Java
Develop Web Portal (Reward, Quiz, Registration partner, Contact )	Config XML, SQL Server 2008/Visual Studio 2008/ASP.NET, C#, JQuery, Ajax
Enhancement web application as Invoice, PO, Payment, Expense, Event calendar, Timesheet, Shipping, Contact, Payment by Creditcard, Paypal.	MySQL, JSP, serverlet , JQuery, API Paypal
“SIEUTHIMINI ”, A3zone, e-commerce site, wizhuntlocals.	MongoDB/Visual Studio 2019/API .Net core, /React/Redux/HTML/CSS/ Type script/ Kendo UI
“KUL DELI” – WinForm	SQL Server 2005/Visual Studio 2005/C#, model 3-tiers
“Application Blog” Web applicaion	SQL Server 2005/Visual Studio 2005, Store Procedure, T-SQL / C# , Webservice ,Flex , model 3-tiers
“no12boutique” Web buy and sell	SQL Server 2005/Visual Studio 2005/C#, ASP.NET, model 3-tiers, jquery
Inventory control – WinForm	SQL Server 2005/Visual Studio 2005/C#, model 3-tiers
Invoice and Payment – web module	SQL Server 2005/Visual Studio 2005/C#, ASP.NET, model 3-tiers, wegrid, clientserver
“SELL COMPUTER”	Linux/Shell Script
“SEA FOOD” – WinForm	Netbeans/java/iReport
“q-fashion.com” (construction)	MongoDB/Visual Studio 2019/API .Net core, /React/Redux/HTML/CSS/ Type script/ Kendo

	UI

## ADDITIONAL INFORMATION

### Other Skills:

- Expertise in application developing, web application inventory single page, especially in DBMS analysis and design Form with Model 3 Tier and distributed system.

### Languages:

- English

HCMC - Vietnam, 08/11/2024
