SKILLS

TECHNICAL

- I used to study programming languages such as C#, JAVA, PHP, SQL, CSS & HTML, etc in my course.
- Used: Visual Studio, SQL Server, VS Code, Git & Github
- I think my strongest strength is C#, OOP, studying myself more ASP.NET CORE, Javascript, and knowledge to design a database using SQL Server

PROJECT

- 1 MACBOOKSTORE - PHP**
 - Tools: VS Code, Xampp
 - Framework: Bootstrap
 - Language: HTML, CSS, PHP
 - Database: MySQL
 - https://github.com/hoanqdev/macbookstore_PHP
- 2 CAR RENTAL - ASP.NET MVC**
 - Tools: Visual Studio 2019 preview, SQL Server 2017, VS Code
 - Technologies: Bootstrap, .Net MVC 5
 - Language: C#, LINQ, HTML & CSS
 - Database: SQL Server
 - https://github.com/hoanqdev/CarRental_ASP.NET-MVC

WORK EXPERIENCE

- 2015 - 2019
POKERSTARS
FREELANCER
 - It helps me develop skills such as data analysis, logical thinking, more patient and how to evaluate the return on investment.

2017

COLLEGE

-
2019

IT STUDENT

- As I am a senior student, my lack of experience is a weakness. But I am confident that with my huge interest in the programming and some of my skills such as the ability to learn quickly and study myself.

- I have gained knowledge with interface designing and database to develop a small website project with teamwork at school.
